TEN JURORS COME

That evening all of the teams in the leads the shooting, but that league will take the alleys. North End it was not the four accused men who

Andrew Craw, representing the Presen- sey City to Montclair and Elizabeth to Libby, the partner of William Shapiro, the chaufteur of the "gray car," in which the men who did the shooting escaped. Libby took the car to the garage for Shapiro on the night of the shooting and told him while they were detained in the to the strial that none of these men was smashed and they were bruised and was concerned in "the shooting match" and that none of them had held a gun unhurt. car after the shooting.

to the Governor for elemency in their had been repaired went to the home of separate petition as follows:

Albro Akin, No. 64 West 49th street.

Your petitioners, solemnly asseverating their innocence of the crime charged. plead to the Governor for mercy, and ask that executive elemency in their behalf be exercised to the extent, either:

"(a) That judgment of death pronounced against each of your petitioners be commuted to such term of imprisonment as to the Governor may seem just Look for Best Year Outside Comand proper in the premises; or (b) That the execution of the judg-

ment against each of your petitioners be stayed and that each be granted a retion of the indictment against the said have either been abroad for the winter or that a vote had been ordered on the have come to grief. Charles Becker.

Ten Jurors in Line.

Frank" Cirofici, alleging that she obtained the signatures of the ten trial jurors to the petition for a reprieve. The jurors who signed it were William H. Montgomery, foreman; Leo Kramer, S. M. Comstock, Charles P. Huntington, H. I. Dittman, H. C. Reynolds, Alfred Hernsheim, Edwin Fisher, Frank H. Gould and John Gutebred. Sidney J. Hamilton, Juror No. 11, was out of the cently returned. city and could not be reached, and John fici's affidavit. The jurors' petition, directed to the days.

The undersigned respectfully repre-

sent:

I. We served as trial jurors in the shove entitled case, at an' extraordinary term of the Supreme Court, and united in the verdict of conviction under which the defendants above

and united in the verdict of conviction under which the defendants above named were subsequently sentenced in accordance with the stature.

It The request herein contained is submitted without on our part desiring to impeach or impugn the verdict then rendered.

If we nevertheless feel that under all the circumstances of this case, and the connection claimed between these defendants, and Charles Becker, accused with them, and who has since his conviction been awarded a new trial by the Court of Appeals, the interests of justice may require that the execution of the judgment of

death pronounced upon these defendants upon our verdict be stayed until there be a final determination of the guilt or innocence of the said Charles Becker or other disposition of his case.

Becker or other disposition of his case.

We feel, as jurors called upon to discharge a serious duty imposed upon us by law, and which, upon the evidence presented to us, we conscientiously decided that every possibility of any error should be eliminated before the judgment upon that verdict is executed, and join in the request for a reprieve or stay of the execution of the judgment against these defendants until some time after the disposition of the case against Charles Becker, to the end that if anything hereafter occur or any information be procured, or during the trial of Charles Becker be brought to light, which may redound to the benefit of these defendants, they may have an opportunity at the proper time to avail themselves of such development or revelation.

New York, March 19, 1914. The argument of counsel on the petition

reviews the evidence presented at the trial against the prisoners by the witnesses Rose, Valion, Webber and Schepps and the yewitnesses Krause, Luban, Stanish and Shapiro. Referring to the fact that the men have been sentenced to die in the week of April 13, counsel says:

Becker the Big Worry.

"The custom has been to execute judgment of death on the morning of the Monday of the designated week. If this judgtitioners, ranging in age from twenty-two was committed with the consent of courts and District Attorney as free men, with

sults in Becker's elimination as a conpeople's theory, the miserable tools and victims of Rose, Webber, Valion and Schepps, beguiled, deceived and livered up to slaughter that their own
